BRIEF ABSTRACT OF LETTER

States that the play ground of the present high school, Fort Bangalore is not sufficient & that it is very necessary to provide a more extensive ground to play on and suggests the pulling down of the Fort wall projecting into the school Compound on the western side from the Albert Victor Road to opposite the Bangalore City Institute & thus have the playground extended.

NOTES AND ORDERS

The Inspector General states in the letter that a reference was made on the point to the President Bangalore City Municipal Council in 1910 & was informed in May 1911 that the work could not be taken up by

for either is the demolition of the Fort wall projecting into the School compound. The Municipality has passed a Resolution to the effect that the matter might lie over for the present for want of funds. The funds for demolishing the wall must be met from the Municipal budget and as such the matter seems to belong to the Municipal Section.

5 Sub. The funds required for demolishing the fort wallsmay be met either from the State Funds or from municipal funds the fort walls are Govt property. The eastern Section was demolished at the cost of the Municipality while a portion of the western section near the new Eye-Infirmary was demolished at Govt. cost. The Municipal Council pleads inability to carry out the work for want of funds. In view of the urgency of the matter the DJ submits the matter for the orders of Govt.

There is nothing for the municipal Section to take action in the matter which is purely educational. The inability of the Municipality in enclosing the playground of the High School

1/12/11 6 This may be dealt with in the Education section - The necessity for demolishing the wall should first be decided and this is to be done in the Education section - The question of finding funds for the demolition comes in afterwards - The municipality is evidently not willing to put itself into this expense just at present and it is not understood why it should bear the cost of a work required for extending the compound of the High School.

There is no doubt that if the necessary funds could be made available, the demolition of the wall and the opening up of the locality would be very desirable improvements as It is not known whether any estimate was before the Board when it resolved to let the matter lie over in May last, for want of funds The Municipal Section will

13 It is seen from the President's letter that the D of Pdt proposed the dismantling of 'the entire wall from the Albert-Victor Road to the City Institute' and that the Cost of this was estimated at Rs 23000 and odd. It is not known what object the demolition of this whole wall will serve to the School, as there are some private buildings between the wall & the school, ~~and the wall~~ through a large portion of the length of the wall.

Sir

I have the honour to inform you that the play ground of the present High School, Fort, Bangalore is not sufficient. It is necessary to provide a more extensive ground to play on. This object can be gained by pulling down the Fort wall projecting into the school compound on the western side from Albert Victor Road to opposite the Bangalore City Institute. A reference was made on this point to the President of the Municipal Council, Bangalore City in October 1910 He stated in reply in May 1911 that (according to the resolution of the Municipal Council that the matter may ~~be~~ lie over for the present owing to paucity of funds) the work could not be taken up by the Municipalityfor want of funds. In view of the urgency of the work I beg to submit the case for the orders of Government with a request that the want felt for a suitable play ground for the school may kindly be supplied.

SIR,

I have the honour to invite your attention to the condition of the High School compound in the Fort and to request that, as a necessary first step to putting it in a more tidy looking condition the part of the fort wall extending from Albert Victor Road to opposite the Bangalore City Institute may be dismantled This would give the High School the much needed opening on the western side and allow of extension of the play ground up to the Victoria Hospital Cross Road When the whole of this gets enclosed the school surroundings would be what they ought to be It is very desirable that early steps be taken in the matter
